Make a statement

ToLEDo™ Radiance

Sylvania redefines the way LED lamps look and function with the new and innovative ToLEDo™ Radiance range.

ToLEDo™ Radiance is a bright new product merging the boundaries between lamp and luminaire. It offers an imaginative retrofit solution to change the look and feel of a room, making it look much more stylish and unique than conventional LED retrofit solutions.

ToLEDo™ Radiance

ToLEDo™ Radiance ticks all the boxes for fluid design, diffused lighting and good efficiency, making it an ideal choice for residential and hospitality applications, and also for the work place.

The retrofit functionality means, it is easy to install and requires no extra installation cost. It is ideal for kitchens, living rooms, bedrooms, hotels, restaurants, bars, meeting rooms, reception areas, cabins and small offices.

The dimming functionality helps to adapt the brightness to different needs and applications.

ToLEDo™ Radiance is available in white and black finish and in two variants: 142mm diameter and 190mm diameters. Both versions are available in 2700K and 4000K.

Features

- Stylish and innovative solution
- Fluid design – easily blend with the ambience and change the look and feel of the room
- Uniform light distribution with an element of direct/indirect lighting
- Dimmable functionality to set the desired light level
