8000PC13 LOUVRESTACK

Loosen the gear housing cover fixing screws and pull off the cover.

Assemble the louvrestack mounting plate to the cover with the screws supplied.

Push the louvrestack over the three retaining posts on the mounting plate. On suspended spheres invert the louvrestack and on horizontally mounted spheres, fit the louvrestack either way, as desired.

Secure the cover/louvrestack assembly to the gear housing and fit the appropriate lamp and sphere as described in the respective Sphereline Installation leaflet.

8000PC18 / 8000PC26 LOUVRESTACK

Assemble the louvrestack mounting plate to the gear housing cover with the screws supplied.

Push the louvrestack over the three retaining posts on the mounting plate. On suspended spheres invert the louvrestack and on horizontally mounted spheres, fit the louvrestack either way, as desired.

Fit the appropriate lamp and sphere as described in the respective Sphereline Installation Instruction leaflet.

Replace any cracked protective shield.
