NOTE: Luminaire should be cleaned by using warm soapy water and a soft cloth. Ensure luminaire is switched off during cleaning.

Dispose of lamps in accordance with lamp manufacturers instructions.

Use Amalgam lamps

This twin pendant uplight is suitable for interior ceiling mounting.

Installation should be carried out by a suitably qualified person in accordance with good electrical practise and the appropriate national wiring regulations.

Switch off mains electrical supply before commencing installation.

Installation Procedure

Ceiling Plate Assembly

Prepare suitable fixings in mounting surface at 60mm centres for ceiling plate (A).

Screw rods (C) into ceiling plate.

Connect mains supply leads, uplight supply leads and ceiling plate earth lead in terminal block (B).

Secure ceiling plate (A) in position using suitable fixing screws.

Adjust rods by screwing in or out so that mounting studs on ends of rods are as horizontal as possible.

Uplights

Remove covers (M).

Join uplights together using supplied washers, nuts and bolts (E).

Locate assembled uplights on drop rod studs and secure with supplied washers and nuts (D). Ensure uplights are horizontal, slaken nut (D), adjust and tighten nut.

Connect leads of uplight supply cable (L) in respectively marked terminals in fused terminal block (J).

Link uplight terminal blocks (G) and (J) with supplied wiring loom (H).

Fit appropriate lamps as indicated on label (R).

Refit covers (M).

Place glass (N) in position with opaque side face down (where applicable).

NOTE: Uplights are internally fused with F2A fuse (F) and (K).

Suitable for use indoors
Geeignet für Innenanwendung
Pour un usage interne
Adecuada para uso en interiores
