

Concord

MONITOR LED G2

BEAUTIFUL, REFINED AND TOUGH

Concord Monitor offers significant energy and running cost savings over traditional CFL light fixtures. Monitor with its timeless design has proved to be a popular choice for lighting designers and landscape architects. Monitor graced the exteriors of many important buildings over the years by not only providing light but also security and total peace of mind due to its reliability.

Monitor uniquely offers the possibility to chose between high output or high efficiency with the simple flick of a switch depending on your requirements.

Available in Black and Silver, Monitor is constructed from a pressure die cast housing and polycarbonate diffuser for extra vandal resistance.
